

MY FRIEND THE DRUM

by Bonnie Lockhart

My friend the drum, she likes to have fun, and
she can tell you where she's com - ing from. She likes to sing, she
likes to play, and she can tell you what we're do - ing to - day.

She says stand up, she says to hop,
She says to stretch, she says to stop.
She says to turn, she says to bend,
She says to dance, now wave to your friend.

She tells me please, bend your knees,
Sit down on the floor, and sing it some more.

La, la, la, la. . .

You can repeat the whole song in call and response form, asking the children to echo the leader, phrase by phrase.

My Friend the Drum and fourteen other songs are recorded on Bonnie's CD, *Dreams, Drums, & Green Thumbs*.
